

# **Time for Chamber Membership Renewal**

**The non-profit, non-affiliated Mineral County Chamber of Commerce is here to promote Mineral County and the success of your business.**

**But we can't do it without you.**

**Membership fees maintain the Chamber office, website, our special projects and events. All of which support our county. So check out the website, including its events calendar, for a sample of what we do to the benefit of all who live, recreate and do business here in our beautiful piece of western Montana.**

**AND Join TODAY. Membership fees have been changed to better accommodate our county's many one-and two-person businesses.**
